

## ANOTHER INTERESTING WEEK FOR CONTEST

CANDIDATES WORKING HARDER  
AS TIME DRAWS TO CLOSE.

Miss Mabel McCredie Making Rapid  
Gains and Now Holds the Third  
Position in Contest.

Another interesting week of the Co-Operative Contest and the result standing about the same, is the way the great contest remains in all sections. There have been some small gains made, but the positions of the contestants remains about the same.

Miss Mabel McCredie of Micanopy secures a very handsome vote, the largest polled, but has a close second in Miss Martie Chamberlin, and Miss Lorna McCredie in the third. In the western section Miss Bryant has the greatest vote, while Miss Kirkland and Mrs. Maddox follow closely behind her with a fine gain. Miss Vida Barron makes a good gain with nearly 20,000 votes.

Miss Mabel McCredie, Micanopy.

The above picture represents one of the hustling young candidates in the contest from the Micanopy section. During the past week she has polled the largest vote of all competitors, but has some close company. She has secured a great many of her votes by sending in subscriptions and renewals to The Sun. Besides, she has worked for all of the advertisers in the contest by soliciting her friends to their shopping with them when visiting Gainesville.

The time is drawing closer each day, and a large vote can be secured within a few days by working in the above manner.

Following is the result of the canvass:

Gainesville—Central Section.	
Miss Addie Goode	1,801,624
Miss Estelle Beal	1,480,100
Miss Margaret Ledbetter	1,067,420
Miss Nora Stalls	137,500
Miss Bessie Carver	107,425
Miss Mary Fernandez	50,235
Miss Myra Swearingen	49,375
Miss Gertrude Harrod	44,790
Miss Blanch Thompson	32,640

## NATURE'S WARNING

Gainesville People Must Recognize  
and Heed It.

Kidney ills come quietly—mysteriously.

But nature always warns you.

Notice the kidney secretions.

If there are settlings and sediment.

Passages frequent, scanty, painful.

It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in this locality.

Mrs. J. L. Warren of Starke, Fla., says: "For some time I was a victim of kidney trouble. The kidney secretions were too frequent, in passage, causing me the greatest annoyance and I suffered constantly from backaches and dull pains through the kidneys. I could not rest well and in the morning arose feeling tired and worn out. My back became very lame and I often found it difficult to get around. I at length read about Doan's Kidney Pills and procured a box. Since using them, I have been free from backaches and the soreness and lameness has disappeared. The annoyance from the kidney secretions also ceased and I am able to sleep well. Doan's Kidney Pills benefited me wonderfully and I can recommend them as the best kidney remedy I ever used."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Help for Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by all druggists. Samples free.

## TAYLOR COUNTY WET BY SMALL MAJORITY

PERRY, July 3.—Returns from the wet or dry election held in Taylor county Thursday are not yet all in, one precinct yet to be heard from, but the count, unofficial, will be about 14 or 15 majority for the wets.

Perry, the largest precinct in the county, gave a majority of twenty for the wets. All during the day each side claimed victory until one precinct came in, which gave thirteen for the wets and six for the dries, which put new life into the wet columns. It is believed that the one precinct yet to be heard from will give the wets a still greater majority.

### ARCHER NEWS.

ARCHER, July 3.—Mrs. Russell and children of Jacksonville have been visiting Mrs. W. E. Brown this week.

Miss Lola Tuten has gone to Micanopy for a two-weeks' visit to Mrs. Will Geiger.

Several of the Woodmen of the World have gone to Williston today to attend the picnic given there by the lodge.

We are having the hardest rain we have had for months, but it will do the farmers good.

### Starved to Death

Is what could truthfully be said of many children who die. They have worms, poor little things—they don't know it and you don't realize it. If your child is cross, fretful, pasty-complexioned and loses weight for no apparent reason, give it White's Cream Vermifuge—you will be surprised at the results and how quickly it picks up. Sold by W. M. Johnson.

### Street Committee Should Investigate.

The attention of the street committee is directed to the condition of East Union street, where the bridge crosses Sweetwater branch. There has been a large washout in the approach to the bridge, while the street itself shows much waste since the great rain.

This thoroughfare is traveled more than any other part across this branch with the exception of Alachua avenue, and it should have a culvert over it.

### A Golden Wedding

Means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by W. M. Johnson.

### Notice.

As Mayor of the City of Gainesville, I do hereby suspend so much of the ordinance as prohibits the discharge of fire crackers, skyrockets or other fireworks within the limits of the city, in that part of such city as lies more than two blocks from the public square between the hours of sunrise and 10 o'clock p. m. of Monday, the 5th day of July, 1909.

## S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws off. S. S. S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S. S. S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S. S. S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.
